

Kapitalandelen i nedanstående tabeller är i samtliga fall densamma som andelen röstberättigade aktier.

Nedanstående aktiespecifikation innehåller vissa förenklingar, t.ex. vid ägande i många led eller när ägandet är uppdelat på flera ägare eller vid korsvis ägande. Detta för att inte i onödan tynga framställningen. En komplett aktiespecifikation kan beställas hos Alfa Laval's huvudkontor i Lund.
